**Make It A Date with RIKC!**  
*An Affair with RIKC featuring Teri Ackerson*

**KANSAS CITY, MO. (February 24, 2015)** – How long have we been seeing each other? You like us, we like you...let's move things to the next level!

This year Joel Nichols, Master of Ceremonies, will lead attendees through an evening with Guest Speaker, Teri Ackerson, a Memorial Tribute to Dr. Gary Berger and a live auction.

Teri Ackerson has been educating and advocating for quality stroke care in Kansas City since 2009. In a twist of fate Teri suffered from a stroke in 2013. Teri's stroke only served to strengthen her passion of stroke advocacy.
