

Day at the Lake

Exhibitor Opportunities

AT A GLANCE

This year's 23rd annual 'Day at the Lake' on July 14, 2017 creates opportunities for individuals to get out of their wheelchairs and into the water to enjoy a day of water sports. A dedicated team of volunteers work together to help individuals with paralysis and other debilitating conditions experience the freedom of accessible water sports including water skiing and boating on Smithville Lake. The joyful and admirable spirit of this unique event attracts people who are motivated and passionate about our mission. Individuals with disabilities come together for a memorable experience and opportunity to support a relevant and meaningful cause.
